Attitude

I'm **result** oriented with a strong proactivity, the focus on the on-time delivery with a high-quality level and the full control of the total cost of ownership. I use the communications skills to establish good relations with suppliers and colleagues. I can manage my stress and a heavy workload.

Objectives

I want to work in a multinational company which allows me to fully express my potential. I love to face new challenges and commit myself to a role that enabling me to grow and develop both my technical knowledge and cement professional relationships.
